RELEASE
SCRIP Code: 532379

Sub: Supply of Firstobject's Digital Smart Education Solution to BC and SC hostels of Adilabad District, Telangana.

Firstobject Technologies Ltd. received an order from the office of the District Collector, Adilabad District, Telangana to supply its digital smart class solution, FirsteSchool, to all the BC and SC Hostels of the District. Firstobject will supply digital content for Primary and Secondary Schools curriculum in Telugu and English medium.

The excellent customer feedback received from Sangareddy District where the company has already implemented its Digital solution, is one of the prime factors for receiving this work order.

The order issued by the collector's office is handed over by the District BC Welfare Development Officer in his good offices on 29-November-2017.

Managing Director, e-Education Business Head, Chief Operating Officer receiving the work order from the BC Welfare District Officer. The District BCW Administrative Officer is also present.

After receiving the order on 29/11/2017, the Managing Director of the company Dr Sriram Kumar mentioned that this work order is the result of good and consistent quality services rendered by the company. He said the company is positively looking for some more breakthroughs in the coming days.

Corporate Background:

Firstobject Technologies Ltd., with its quality products and timely & consistent, has made its impeccable presence in e-Education segment. So far, the company's e-Education products have been installed in more than 2500 school boards across the country.

The company believes in utilization of latest technology solutions as useful tools for the teacher community. A proper e-learning product with a proper training to the teachers will help the schools and institutions take advantage of the latest technological trends.

Keeping these aspects into scope, the company developed digital smart class solutions for CBSE, APSE, TSSB and MHSB. The products are developed in both English medium as well as Telugu and Marathi mediums. The products are available from Pre-primary to Class X.

The unique features of our products are:

1. Complete coverage of the syllabus strictly as per the prescribed text book. This helps the teachers to regularly show the animated content for every lesson/topic they teach.
2. The product helps the junior teachers during their preparation and lesson planning.
3. For each chapter, concepts, Exercises, Mock tests and Activities are provided. Content developed by experienced and skilled teachers
4. All the exercises at the end of each chapter solved for immediate and ready reference to the users. This orients students to improve their presentation skills and ignites them to think on better ways of presenting the knowledge that they have gained.
5. Easily understandable voiceover to explain the animated concepts. This helps the students of all categories to listen and understand the concepts.
6. Activities such as map pointing, fill in the blanks, diagrams help the average students perform well in the examinations.
7. Additional material is provided wherever is required to benefit top performing students.
8. Rich, apt and detailed animations help average students in understanding difficult concepts very easily there by improving their performance levels.
